

# THE LAND CONSULTANCY LIMITED

## HEALTH AND SAFETY POLICY STATEMENT

The Land Consultancy Limited will:

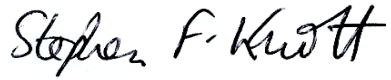

- Establish and implement a Health and Safety Management System to manage the risks associated with our premises and activities.
- Regularly monitor our performance and revise our Health and Safety Management System as necessary to ensure we achieve our objective of continuous improvement.
- Provide sufficient resources to meet the requirements of current Health and Safety legislation and aim to achieve the standards of 'Good Practice' applicable to our activities.
- Actively promote an open attitude to Health and Safety issues, encouraging subcontractors to identify and report hazards so that we can all contribute to creating and maintaining a safe working environment.
- Communicate and consult with The Land Consultancy Limited's subcontractors on all issues affecting their Health and Safety and, in doing so, bring this policy to their attention.
- Provide adequate training to subcontractors is necessary to enable them to carry out their work safely and effectively, and to ensure they are competent and confident in the work they carry out.
- Carry out and regularly review risk assessments to identify hazards and existing control measures. The Land Consultancy Limited will prioritise, plan and complete and corrective actions required to reduce risk to an acceptable level.
- Maintain our premises and work equipment to a standard that ensures that risks are effectively managed.
- Ensure that responsibilities for Health and Safety are allocated, understood, monitored and fulfilled.
- Retain access to competent advice and assistance through the support of Aegis Services Ltd, thereby ensuring that we are aware of relevant changes in legislation and 'Good Practice'.

It is the duty of all of us when at work to:

- Take reasonable care of our own safety.
- Take reasonable care of the safety of others who may be affected by what we do or fail to do.

- Co-operate so that we can comply with our legal duties.
- Ensure we do not interfere with or misuse anything provided in the interests of health and safety.
